Pace of Play:

Bella Vista Golf Course will strictly enforce a 4 hour and 18-minute pace of play for 18 holes. We encourage new players and skill levels of all kind. We do recommend these players who cannot keep pace to avoid peak morning times for both the benefit of the course and the benefit of the players experience. We do not want anyone to feel rushed. Off peak mid-day or afternoon will be more advantageous for these player types. We also recommend all players stopping for food at the turn to call in their orders on the 8th hole to help preparation time and assist with pace of play. Remember we want the best experience for all of our golfers! Please play ready golf.
