

Golf Guidelines

Starting July 4th, 2020

We have re-opened the golf course Friday, May 1st, 2020. We are taking our safety & sanitation measures very seriously and we are asking your help to keep our environment safe. Please see our guidelines listed below:

- Golf course is open for golfers only, no other activities will be permitted (bikes, walking etc.)
- **Pro Shop is NOW OPEN FOR in person retail & check-in**
- All CDC and PA Health Guideline for essential business practices will be followed by staff
- All staff will wear protective masks and gloves
- Social distancing of 6 feet of separation will be enforced throughout the property
- **Shared carts are NOW permitted (2 golf carts per 4-some ONLY)**
- **No special request are allowed for extra carts, EXTREME medical conditions only (Extra cart is \$12)**
- **Tee times will be normal intervals**
- No rakes, ball washers, water coolers or course furniture will be permitted.
- Holes will be covered so no ball is ever holed completely and no touching of the flagstick is permitted
- Each customer may only use their equipment & clubs at all times. Player owned push carts are permitted. Absolutely no sharing equipment.
- No congregation or tailgating in the parking lot at any time before or after your round.
- Golf course staff will never handle any customer's golf clubs, bag or equipment.
- **Putting Green is open for next group on tee. Short game area is also open.**
- Bathrooms will be open on the course and inside of the pro shop. They will be sanitized regularly
- **Restaurant will be OPEN June 5th for outside seating only (minimal inside entrance)**
- Pick up Window Food & Beverage Service will be allowed for golfers use at the turn
- Every cart will get cleaned & sanitized before & after each round by a cart sanitation specialist
- Reservations are up to 2 weeks in advance and are taken for 2-somes and 4-somes only
- **All cancelations & modification must be made 48 hours in advance**

We thank you for remaining patient as we have taken necessary precautions to keep our customers and staff safe at all times. We kindly ask your help to follow all CDC requirements & the listed requirements below. We all need to work together to keep golf open in PA.

- **PRO SHOP is open for in person retail. We encourage each guest to check in based on their comfortability. Remote check in is still available at the starter tee.**
- All CDC and PA Health Guidelines for essential business practices will be expected to be followed by all customers. **This includes a mask while in the pro shop and near the facilities.**
- Please stay home if you are not feeling well, do not risk putting anyone at risk
- Please remove your trash from your golf carts upon completion of your round
- Please bring your own hand sanitizer to use throughout the day and wash hands regularly
- Please do not leave course property to enter the local communities for any reason. Respect our neighbors!
