### **Match #1, Round 1 (8:00 a.m.-9:15 p.m. Tee Times, Front 9):**

Four-ball: Front 9- Two-golfer teams representing each club square off against each other. Each of the four golfers plays their own ball and the best score from a single player counts for his team for that hole. For example, if Player A and Player B from BV are going against Player C and Player D of MH, and Player A makes a birdie on the first hole but the rest of the players make a par, BV gets a 3, the MH gets a 4 and BV goes 1 up.

6 Matches/ 6 points awarded

### **Match #2, Round 1 (Same Pairings, back 9):**

Foursomes: Back 9- Two-golfer teams representing each club square off against each other. This time, however, the players have to switch off hitting the same ball until it is holed out. Players have to switch off hitting tee shots no matter who made the putt on the previous hole. Scoring is still match play style.
